On March 1, 2012 David released "Missing 411-Western U.S.", the story of people who have disappeared in the wilds of North America. Many of the parents and relatives of the missing make claims that the victim was kidnapped/abducted, in very remote areas, this is well documented.

David Paulides - amazon.com

The first movie was a real disappointment for me and made me hesitant to purchase this one. However, I wanted to support David Paulides and his work and I thought this might be the best way. I was not disappointment. The movie is very engaging, the narration, editing, and choice of great examples of the Missing 411 were amazing.
