Being a Parlor model, this guitar isn't going to sound as full as a dreadnought or even a 000 or OM, but for a small body (around the same as a Martin 2-17) that measures just 14 1/8" at the lower bout (9 1/2" upper), this guitar has very good projection and makes a very nice blues style or finger style guitar. It has a distinct mid-range hump ...
