E-Mail Marketing For Dummies Cheat Sheet - dummies

Divide your list into equal parts and send the same email on different days to determine which day receives the best response. For example, if you have 1,000 email addresses, you can send 200 on each day of the week. Whichever day receives the best response can be your sending day going forward. 2.

Email Marketing - For Dummies

Email marketing is about developing a relationship, and that relationship can be eroded very quickly. Acknowledging Individuality While over-familiarity or mail merge personalization can reek of desperation , acknowledging individuality by referring to purchase history or demography is potentially powerful because it suggests that their individual custom has been noted and considered important.
