Alternative way to sort your files: Open the folder or library that you want to sort in the File Explorer. Go to View on the top and expand the View ribbon by double clicking on it. Click Sort by, and then select a property as per your requirement. The "Sort by" menu will show Name, Date, Tags, Size and etc. Select the required property to sort the images as per requirement.

Manual sorting for images in the File Explorer on Windows ...

Most people look at the extension of a file and then guess the type of file from that extension. For example, when you see a file with an extension of gif, jpg, bmp, or png you think of an image file, and when you see a file with an extension of zip, you assume the file has been compressed using a zip compression utility.
