linguistics," says Sven Tarp, "is that they have two completely different subject fields:

The subject field of linguistics is language, whereas the subject field of lexicography is dictionaries and

lexicographic works in general" ("Beyond Lexicography" in Lexicography at a Crossroads, 2009).

Sven Tarp provides a

forward-looking

analysis of the

challenges facing

lexicography, including

the current 'identity

crisis', which the

author asserts comes

from the growing

divide between

lexicographic theory
and the majority of
dictionaries actually
produced; the
transition from printed
to electronic
dictionaries, and the
growing need for quick
and easy access to
information.
