## **AMSCO Drying Cabinets | STERIS**

Amsco warming cabinets have been an industry standard for warming blankets and fluids for decades. The Amsco name is synonymous with quality medical products that are reliable, durable and have great longevity. Amsco was purchased by the Steris Corporation in 1996, so newer warming cabinets will be branded with the Steris name, instead of Amsco. ... Continue reading Amsco Warming Cabinets

On full size models, the upper compartment of the Amsco® M70® is the same as the tabletop version, but with a separate lower cabinet that is larger in size than the upper. The lower cabinet of the full size model comes as either a non-heated storage compartment or a heated version, which would maintain a constant 120° F temperature for warming of blankets only.
