Small Animal Bandaging, Casting and Splinting ... - VetBooks

" This statement is clearly the truth when it comes to bandaging, casting, or splinting the small animal patient. This book was written by authors with vast clinical and research experience and they introduce bandaging techniques that have been successfully applied in the management of wounds and orthopedic injuries.

Small Animal Bandaging, Casting and Splinting Techniques

No cats (or other animals) were bandaged for this book, even though the title says "Small Animal". The chapter on extremity bandaging is excellent. The photos showing bandaging of the tail, for instance, illustrates how the bandage need not be bulky to do the job. It may be accurate to say that bandages/splints/casts of the legs are the ones ...
