In fact, a 150-year experiment in creating global rules to protect and defend individual human beings is coming to an end. The evidence is all around us. Authoritarian pushback against human rights...

### The end of human rights - The Washington Post

In the most recent example, The Endtimes of Human Rights, Stephen Hopgood argues that the accomplishments of the human rights movement are the product of a fading political moment. Hopgood laments the passing of the movement's early days in the 1960s and 1970s when small groups of Amnesty members sat around kitchen tables and wrote letters on behalf of "prisoners of conscience" in such places as Communist Czechoslovakia

and Pinochet's Chile or lit candles in church basements in ...

### **Universal Declaration of Human Rights | United Nations**

The notion of person rights, on the other hand, is not revolutionary at all. On this view, individuals have rights only because the state has deemed them persons. In other words, individuals have rights only because the state has decided to grant them rights. Thus, the state remains the final authority.

### **The end of human rights? - Live Action News**

The entrance of human rights onto the political world stage did not abruptly and explicitly end the minority treaties of the interbellum. Those treaties first lost their relevance and then faded from existence. The same might happen to Human Rights if Hopgood is only partly right in The Endtimes of Human Rights.

### **Debating The Endtimes of Human Rights**
